ATO Accreditation 2026

IMPORTANT!!

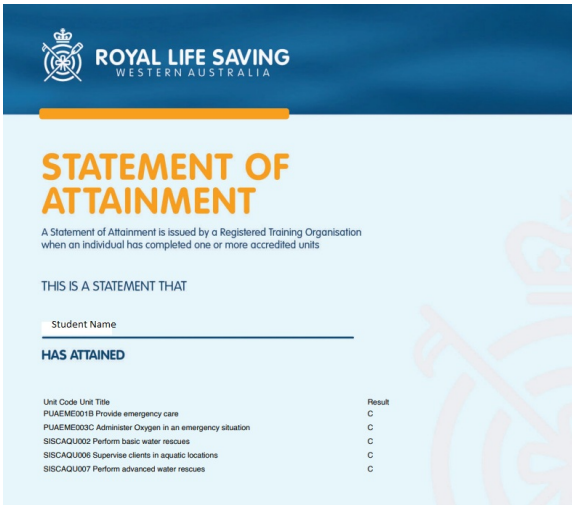

This Accreditation application DOES NOT COVER operators using Chlorine Gas. If you operate a Facility with Chlorine Gas you will need to complete the ATO Chlorine Gas Accreditation application form.

An application for Accreditation is required to be completed after the first year of being accredited and annually thereafter. It is required that all members **MUST** provide valid evidence of all Professional Development (PD) including Lifeguard and First Aid certificates ***(Attendance at LIWA Events will be recorded against your record so no Certificates will be required for these)***

Please read Valid PD before submitting your evidence here

As part of the accreditation process, members **MUST** provide official certificate evidence of their Qualifications, including Pool Lifeguard and Provide First Aid certificates to be eligible for Accreditation.

Please ensure you have these available to upload before completing the renewal application. Not providing evidence may either slow your application process down or non-approval of renewal if evidence can not be verified.

A minimum of two (2) Professional Development sessions (ie LIWA Conference Seminars etc) are to be submitted for the 3 year period.
If this is your first year it is only recommended that PD's are attended but not compulsory in the first year.

Certificates to be uploaded **MUST** be:
- **LESS THAN 1 MB**each *(if you submit your application and it doesn't seem to have been submitted properly or nothing happens, please check the file size, it is most likely larger than 1 MB) If you need to compress the size of a PDF you can try one of these sites that may help*

- https://smallpdf.com/compress- pdf
